## Message from the President

Greetings Buckeye Faithful,

Time does fly when you're having fun. Buckeyes seem to always have fun when they're BOWLING! It's that time again to gather at Howard Teifke's wonderful bowling establishment, **The Timbers. Friday evening, April 16<sup>th</sup>** is the date to save for our second annual Buckeye Bowl –A-Thon. Howard has again graciously invited all fun lovin' Buckeye bowlers. Recruit your FIVE person team today with an entry fee of \$20.00 per bowler. Forget dinner at home on this special bowling evening and “chow down” at the Timber's Grill. The fun begins at 7:00 p.m. with 50/50 raffles and additional surprises. All proceeds will go to the Momsen Scholarship Fund.

March 9<sup>th</sup> was again a special day as we welcomed 11 special, local high school students to interview and compete for our OSUACLC scholarships. Our board members all agree that it is the highlight of our year to meet and speak with these outstanding, future Buckeye students. It is a special treat to get to know these kids. Those students being awarded will be identified at a later date and will be recognized at the Momsen Scramble in August.

Spring signals that Adopt-A-Highway, Buckeye style, is right around the corner. As volunteers we vigorously comb the off-road areas for highway trash from THAT STATE UP NORTH three times a season along Highway # 23. Howard Teifke will be providing more specific information. We are always welcoming new volunteer trash collectors! Remember when you volunteer for a club sponsored activity, you receive a ticket that could win you a pair of football tickets for the last home game of the season, which is the OSU vs. Michigan game on November 27, 2010! Don't be left out of this opportunity.

David DePrisco is the Chairman of this year's Momsen Scramble which will be held on **August 2, 2010** at Stone Oak. David is working on some very exciting additions to this golf outing. We're so glad that David has agreed to chair this event. Please spread the word that the golf event is back. Stay tuned for updates.

Our club meetings are held on the 2<sup>nd</sup> Tuesday of every month at noon at Roemer Insurance, 3912 Sunforest Ct., Toledo, OH 43623. Everyone is welcome. Bring your lunch and join the fun.

Buckeye Winner Regards,  
Tommy Roemer

## New Board Member

Congratulations to our new board member, Laura Glover! We look forward to her enthusiasm. Welcome to the team.

## Momsen Scholarships

We have received 60 applications from area high school students who plan on attending The Ohio State University in the Fall, 2010. The scholarship committee certainly had a difficult task narrowing down these wonderful candidates for interviews. The students had been interviewed on March 9, 2010 and we are awaiting confirmation from OSU before we can release any names.

### **Robert Momsen Scholarship Fund of The Lucas County Alumni Club**

**Principal Balance (Current Value): \$\$199,620**

### Where are they now?

**Jake Beham** graduated from St. Francis DeSales HS in 2005. He was one of our fine scholarship winners that year. Jake ranked #1 in his class of 144 young men. He certainly had to be a very organized person to fit in everything he was involved in. Jake competed in both football and baseball in addition to qualifying AP Scholar with Honor along with the highest GPA-Valdictorian. To keep life interesting for this guy he worked at times at Toledo Hospital in the Dietary Department about 20 hours a week. I will tell you he kept his calendar filled with a variety of projects all through high school. We sure know how to select great kids!

Jake wasted little time once he arrived at the Ohio State campus. He had a double major in Accounting and Finance. As you might guess Jake loves competing in sports which he did on the intramural level in flag football, basketball, tennis, ice hockey and softball. I might add that Ohio State has the largest intramural program in the country!

Mr. Beham volunteered with Wonders of the World, helping elementary school children learn science through experiments. With this young man's energy you would not be surprised to hear there were other adventures like the Buckeye Capital Investors Investment Club and Pi Sigma Epsilon Business Fraternity. Jake joined Fisher Futures whose aim it is to get Buckeyes to Wall Street. Interning in Toledo at Toledo Fleet Solutions (accounting) as well as Health Care Reit (finance). In addition Jake got some experience at Lehman Brothers in New York. Of course Jake pointed out that he attended many Ohio State football and basketball games.

Graduation came too early in December, 2008. He's now working for Pali Capital, a broker dealer firm in New York City where he's in a rotational analyst program jumping around to investment banking, sales, and research just to name a few areas. He's living and loving life in Manhattan in the financial district.

Best of luck, Jake. You are a sharp young Buckeye businessman with rockets propelling you. You certainly have a happy heart.
