## The Poker Border Battle:

I'm extremely excited to announce the details of our first Poker Tournament. The OSUACLCL has decided to refer to this event as "The Poker Border Battle". We are referring to this as a border battle to entice our enemy fans, who for some crazy reason believe that maize and blue is a nice color combination.

The poker battle will be a three-day event ( **August 28, 29, and 30**), (\$ 40 Satellites & Sit and Go's) and will take place at the American Legion Hall, 206 South Byrne, Toledo, Ohio. This super event will commence on **Friday, August 28<sup>th</sup>** from 6:00 p.m. until Midnight. **Saturday, August 29, 2009** play will begin at 10:00 a.m. and run until 5:00 p.m. The same evening beginning at 7:00 p.m. will be the Deep Stack Championship Game which will continue through Sunday! For this event there will be a \$120.00 buy-in with an optional \$80.00 double stack. **Sunday, August 30, 2009** times from 10:00 a.m. until 5:00 p.m. Win up to \$30,000.00!!! For additional information please phone Woody at 419-297-2344 or Janet at 419-252-0688.

In addition to the poker there will be festival games and raffles which includes football tickets to the Ohio State vs. Michigan game as well as Ohio State vs. Southern California game. Come join the fun and help raise money for our 501( c ) Robert Momsen Scholarship Fund.

### **Where Are They Now?**

Stacy Hoenig graduated on June 14, 2009 from The Ohio State University with a BA degree in German and a minor in International Studies from the College of Humanities. She graduated Summa Cum Laude with Honors in the Arts and Sciences, and with Research Distinction in German. Stacy had a GPA of 3.98.

Stacy began her studies in architecture but switched to German during her sophomore year. She traveled to London during her freshman year with her architecture class. Stacy went on a short-term mission trip for 6 weeks to Ghana, Africa between her sophomore and junior years. While a junior at Ohio State, she studied abroad at the University of Bonn in Bonn, Germany for a semester. She then stayed an extra few weeks for an internship with the University of Bonn, helping the newly arriving international students adjust to their new life in Germany. She is quite fluent in German, to the point where families in Germany could not tell who was the American student and who was the German citizen when she and a friend made home visits.

During Stacy's senior year she received a grant from the university to travel abroad and research her honors project. Her thesis is entitled: "Missionary " Redefined: German Mission Work in 21<sup>st</sup>-Century East Africa". Stacy stayed in Kenya, Africa for 3 weeks, researching at a German eye clinic. She then traveled by bus to Tanzania, Africa and lived with a German missionary family for an additional 3 weeks. Her project won third place in the humanities category at this year's Denman Undergraduate Research Forum at Ohio State.

Stacy has already started graduate school at The Ohio State University, pursuing a Master's Degree in education. She graduated from Ohio State with no debt thanks to scholarships, part-time work, and being frugal! I think that this is a remarkable feat in itself. Stacy is engaged to Adam Johns from Norwalk, Ohio, a graduate of Ohio State and a junior high school math teacher. They are planning for a wedding in December.

Thank you so much for your help and the scholarship which you gave Stacey to help her get started at Ohio State.

Sincerely,  
Cindy Hoenig, Stacy's mom
